Dear Community Member,

Exciting news! The Cedar Lake Parks Department is thrilled to bring back the Movies in the Park Series for 2026. After two years of successful cinematic experiences, we've made even more exciting upgrades—our new screen tarp now features a blackout shade layer to protect it from sunlight and ensure an even better viewing experience.

Our event dates are set for Wednesday, June 10; Friday, July 17; and Friday, July 24. In case of inclement weather, rain dates are scheduled for the following Saturdays.

We invite you to consider sponsoring a movie this summer. Our sponsorship packages offer excellent exposure for your business, both at the events and across our social media platforms. Enclosed, you'll find the 2026 Movies in the Park Sponsorship Opportunities with additional details.

To ensure inclusion in all promotional materials, please submit your donation acceptance form along with your check by May 26, 2026.

Thank you for considering this exciting community opportunity. If you have any questions, please don't hesitate to reach out—we'd be happy to help.

Thank you,

Greg Wiesemann
